

Nick & Heidi Griffiths Sierra Leone 2021

What a blessing it is to share about our call to be full-time missionaries with you! By the invitation of the Bishop of the United Methodist Church of Sierra Leone, Africa, we will be serving on an island just off the coast of Sierra Leone, Sherbro Island, for 5 years beginning in 2021.

Here's a quick overview of our ministry:

Mainland Ministry:

In the small town of Bonthe on Sherbro Island, Nick (Civil Engineer) will be helping to restore community wells and boreholes and Heidi (Surgical Assistant and Wound Care Specialist) will be helping the local clinic with medical training and medical supply resources. Nick and Heidi will also be teaming with local pastors to strengthen and grow the local United Methodist Church.

Outreach Ministry:

Within the small fishing villages on the outskirts of Sherbro Island, Nick will be helping to repair and restore small wells and Heidi will be providing bush medicine and teaching basic hygiene. Nick and Heidi will also engage in discipleship and evangelism with local pastors within these primitive fishing villages.

It takes many gracious supporters to sustain us financially in the mission field for 5 years as full-time missionaries - we pray that you would consider supporting us as we commit to serve in Africa. Go to www.TMS-Global.org/GIVE Acct#3019 to support us.

Thank you for your support and prayers as we prepare to join Jesus in His mission across the ocean.

All 4 Him,
Nick and Heidi Griffiths
