

Street Ministry

Oakhurst UMC provides food for the homeless 3-4 times every month. Food is cooked at the church kitchen by Volunteers. It's then taken in the church Van to a local Shelter in St Petersburg, Fl by more of our wonderful volunteers and served. Prayers for Spiritual, mental and Physical health are given. The faces of those that receive the blessing from our ministry show their gratefulness with a smile every time. All in our community and church are welcomed to participate. There are many small jobs with each group of Volunteers. Were always in need of new volunteers to serve this mission for Oakhurst UMC. You may volunteer thru the church office or by calling Lisa D.
