BABY BASICS

of Pinellas County

Because every baby deserves the basics

at Oakhurst United Methodist Church

Oct/Nov 2020

We couldn't be happier because we have added another baby to our program. We get so excited when this happens! And on top of that our first baby that we got as an infant has turned 5 months. We appreciate the help with your donations, and as we add new babies to the program we need your continued support. As the holidays approach please keep us in mind with your holiday giving. We look forward to helping those in our community that need help with this basic necessity.

When my day starts
with prayer and
ends with prayer,
everything in
between seems to
always work out!
