La Iglesia Metodista de Colon

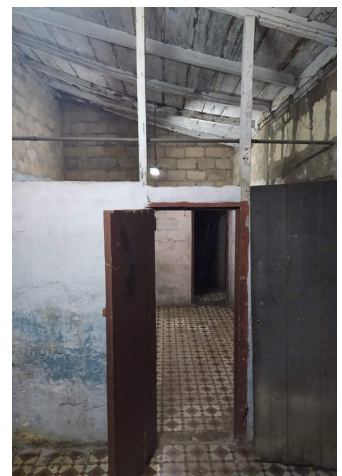

Hurra Por Progreso (Hurray for Progress)

It's time to celebrate with our sister church, La Iglesia Metodista de Colon (Cuba)! Along with our prayers, Oakhurst UMC provided financial contributions allowing our sister church to purchase the house next to their sanctuary. The Cuban church's leaders have long dreamed of converting the run-down house into a classroom for Christian Education along with a kitchen and space to prepare meals and feed children and the community. These services are desperately needed in this Cuban town.

Oakhurst raised funds through personal donations and fundraisers such as our Cuban sandwich sale. We provided the funds in March 2020, during our last in-person mission trip to Cuba, and it took until December 2020 for the purchase/transfer of property to happen.

The parishioners are working hard to clean and repair the house and look forward to using the classrooms as early as this Spring. Outfitting the kitchen with needed workspace and appliances will take longer - but there is no shortage of hard-working parishioners to get the job done and create a central place for Christian outreach.

The church in Colon thanks Oakhurst for our continued prayers along with emotional and financial support that has launched this dream on the way to becoming a reality. Muchas Gracias! Gary Clairy
