Oakhurst UMC and Deb Ralph mentioned in this publication.

Deb sent us the booklet so that the article can be shared with all of you.

It has been our dream that this Synod will plant Methodist churches in every market in the four counties we serve namely: Meru, Tharaka Nithi, Embu and Kirinyaga counties.

Our Synod has been able to start a special school with the objective of bringing and integrating children with special needs from the community in the aim of making them realize their full potential. In this regard, I would like to appreciate Oakhurst United Methodist Church through Deb Ralph for their prayers, partnership and support that they have continued to offer towards this school. On the other areas of development, we have been able to achieve a number of them, including:

1. Buying of synod land manse - ½ acre
2. Buying of synod vehicle
3. Buying of synod Plaza Land for income generating project - ½ acre
4. Improvement of Resource center/ Offices
5. Starting development of Synod prayer center as a short- term project to maximize on IGP land

We cannot say much on the great things the Lord has done but to applaud you and glorify God for all his faithfulness. Allow me to appreciate the Synod strategic committee for their great support towards realizing these dreams.

# *I get it* to protect *myself and* *my family* *from flu*

A flu shot doesn't just protect you from flu. It helps protect your community too. People with certain chronic conditions like asthma, heart disease, or diabetes are at higher risk of developing serious flu complications. In fact, 90% of adults hospitalized with flu have an underlying medical condition. *That's why it's important for everyone to get a flu shot every year.*
