Re: 100% Apportionment Giving in 2021

Dear Nathan,

I am writing to express our sincere appreciation for your church's commitment to paying your Apportionments at 100% in 2021.

Apportionments are a key part of our connectional system. These dollars fund the ministries and administrative work that benefit us all. In so many ways, we are truly better together.

I know that it isn't always easy to pay 100% apportionments, especially when so many other needs are pressing, and when church finances may not be as strong as they were prior to the pandemic. This makes me all the more grateful that you and your church leadership team have placed such a high priority on paying your full apportionments in 2021.

A sincere thank-you to you, your leadership team, and the members of your congregation who gave financially to your church this past year. Thank you for your faithful stewardship.

Sincerely,

Emily Hotho

Gulf Central District Superintendent
