Maundy Thursday

April 14 | 7 PM

We reflect on the Last Supper of Christ and the Betrayal that followed. Communion will be observed.

Good Friday

April 15 | Noon

We commemorate Christ's sacrifice for our sins by solemnly remembering His crucifixion and death.

Easter Sunday is When?

The day of Easter Sunday is dependent upon the full moon cycle each year which falls after the first day of Spring (Vernal Equinox).

So, therefore (every year), Easter is always the first Sunday after the first full moon after the Vernal Equinox!

In 2022, the vernal equinox was on Sunday, March 20th.

The first full moon after the vernal equinox will be on Saturday, April 16th. The next Sunday, which happens to be the following day, April 17th, is Easter Sunday.

Happy Easter! He is risen indeed!

FLOWERING OF THE CROSS

The flowering of the cross represents the transition from Good Friday to Easter—from meditation on Jesus' death to joyful celebration of his resurrection. Covered with fresh, living flowers, the cross serves not only as an emblem of Jesus' resurrection but also of the continuing presence of Christ among today's Christians.

EASTER SUNDAY – April 17: Don't forget to bring fresh flowers to decorate our Easter Cross that will be located outside the Sanctuary on Easter Sunday. Let's share the beauty and joy of nature as we commemorate the risen Christ.
